

# CONSTRUCTION NOTICE

Valley Line West LRT Utility Relocation Project  
104 Avenue & 110 Street  
**NOVEMBER 2022**

## PROJECT OVERVIEW

As part of the Valley Line West LRT project, EPCOR is responsible for relocating all the power, water and drainage utilities to avoid potential conflicts with the future Valley Line West LRT infrastructure. This is the second stage of the Valley Line, an urban-style 27 km line that will operate between Mill Woods in southeast Edmonton and Lewis Farms in west Edmonton.

## WHAT'S HAPPENING

EPCOR has constructed a new underground tunnel along 104 Avenue from 109 Street to 121 Street. EPCOR has been working in the area to construct new manholes, connect services to the new tunnel and complete lining of the new sewer.

Further work is required on the north side of 104 Avenue and 110 Street beginning on **November 14, 2022**. The work is expected to be completed within **one week**.

Regular working hours are **7:00 a.m. to 7:00 p.m. Monday to Saturday**. If required, these hours may be extended, and construction may occur on **Sundays from 9:00 a.m. to 5:00 p.m.**

## OTHER WORK IN THE AREA

Please note, further work is expected in this area in 2022. Notification will be provided prior to any work occurring.

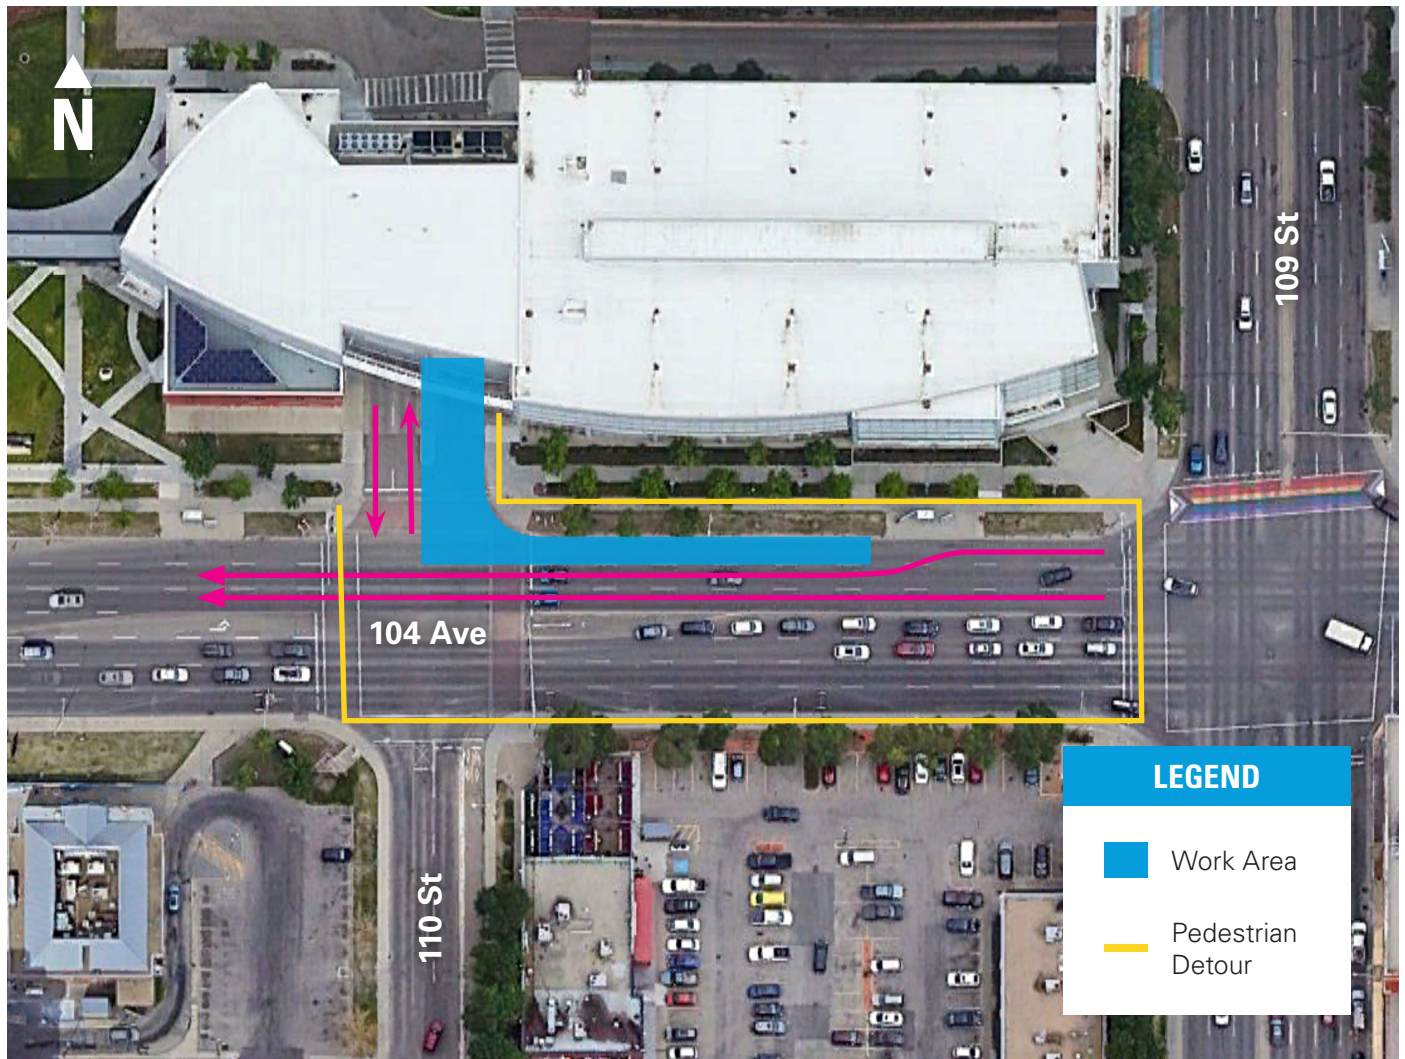

## SAFETY

The construction area will be fenced and/or marked as a restricted area. We will take every precaution to ensure public safety, and we request your assistance in keeping children and pets a safe distance from the construction site and the equipment.

We thank you for your patience and understanding as we perform this necessary work.

## MAP OF WORKSITE

Expected to start on **November 14, 2022** and anticipated to be completed within **one week**. *This timeline is an estimate and may change based on weather and construction conditions.*

## TRAFFIC IMPACTS

- The westbound curb lane on the north side of 104 Avenue near 110 Street will be closed.
- The northbound lanes on 110 Street north of 104 Avenue will be closed. The southbound lanes will be converted to one lane in each direction to allow two-way traffic.

## PEDESTRIAN IMPACTS

- No crossing will be permitted across 110 Street on the north side of 104 Avenue. A detour will be provided.
- No crossing will be permitted on the east side of 110 Street across 104 Avenue. A detour will be provided.
